this document is a discussion under two person. This person's is a man named Carl and girl named Faith.

In this document the two characters developed a discussion at the task in the home.

The reaction of these characters is excessive because they are a family.

For Carl it's accepting the discussion and not accepting these terms at discussion he speaks violently

vocabulaire :

arguments = quarrel

then can't see dust ( pretexte, incapacité)

this document is an extract from the novel fruit of the lemon written by Andrea Levy and published in 2007. Faith and Carl are Two **Siblings** who are having an argument ( / a fight) over chores.

Their mother asks Faith to lay the table but she won't ⇒ ( /will not ) do it she thinks it is completely unfair for two main reasons.

--She |doesn't live at her parents' anymore

| longer live at her parent.

– Carl never does anything thus. Faith is fed up and can't stand ( /bear) it anymore.

In their mother's opinion, men are not supposed to do the housework they are **genetically Unfit**

What she says	What she means
« We are allowed to vote since 1982 now – and we can wear pants, we can drive ay night »	Progress towards gender equality is a slow and tiresome process exhausting
« it's about ( damn ) time ! Where have our pens been ? »	This is a ridiculous idea a useless product
« they come in both lady colors-pink and purple [...] they cost-twice as much	This so-called innovation it just a way to make women spend more money for nothing
« They don't come with any institutions how can they expert us to lear how to write with them ? »	Women are concedered idiots
When we are taking down dication from our bosses, we'll feel comfortable and we'll forget we are not getting paid as much »	What women to belave this innovation is a step towards gender equality, but insted of inventing solutions for imaginary problem they should focus on real iniquities. Correction :

*Snow white is carrying (/holding) two of her children. One of them is crying, and another daughter is pulling on her shirt, as if she was asking for somethings. Ther fourth child is crawling and playing with some toys. Snow white is staring at us asking (/begging) for help, while her husband is relaxing and watching TV, drinking beer and eating some crisps. Their dog is eating the leftovers on the floor. It seems like snow white can't (/) stand anymore (/) is fed up (/) has had enough. They are supposed to live happily ever after, but it is abviously not the case. There seems to be lave between them. We can imagine that them is no such things as farytals.*

5. *because create steraotype.*

consigne :

debate : *should the next james bond by a women ?*

non	oui
<p>Pas possible car faut changer le prénom de l'acteur et donc des lors le nom du film. Donc changement de film et sortie du principe de base</p>	<p>Parce que de nos jour on essaie de supprimer ce patriarchy homme femme.</p> <p><b>For me it's good idea because nowadays we try delete this patriarchy woman man.</b></p>
<p>Le personnages est changé. Le personnages féminin est transformé en masculin.</p>	<p>Facilité de réussite dans les mission de part le physique féminin.</p> <p><b>Maybe The physical of women could facilitate the success of the mission</b></p>
<p>Le monde de l'auto est plus axés vers l'homme</p>	<p>Homme ou femmes les deux son des humain. donc même capacité. Avec l'envie la persévérance et l'effort accès a tout chose.</p> <p><b>Men or women are human. with envy, perseverance and all it's possible.</b></p>
<p>Pk vouloir donnez le rôle d'un perso masculin a fem si on peut en creeer rôle un fem</p>	<p>Seulement une question de stereotype. Le passez qui a definie toutes les croyance et les stereotype.</p> <p><b>The question is not if Should the next James Bond be a woman? The question is when people will change their reflection and stereotype between men and women</b></p>
<p>Non car on donnera jamais le rôle fem a un personnages masculin.</p>	<p>On sait pas ce que ca va donner donc on devrait tester.</p> <p><b>we should test with a women in james bond and after evaluate result</b></p>
<p>Nn car ce serait discriminant de remplacer les roles masculin par les roles</p>	<p>Oui afin d'inclure la femme plus dans la societe.</p> <p><b>Yes to affirm the image and equality of women in society against men</b></p>
